

# Website Advertising Program

## Advertising Placement

NGMA is offering two placement positions for advertisements on [www.ngma.com](http://www.ngma.com). There are horizontal banner positions and vertical banner positions (depicted in the graphic above). We are offering multiple positions for each banner type. The maximum positions for the horizontal banner will be 5, and a maximum of 3 for each vertical banner (Total of 6). Advertisements will rotate on page click or page refresh. Please see the rate card for more details.

## Audience

Traffic to the NGMA website is tracked using Google Analytics software. We track monthly site activity including visits and page views, as well as ad clicks (provided upon request).
